Rev Dr Crook.

My dear fri

Allow me to introduce  
to you my friend Capt S. Q. Brown,  
of the Army during the war,  
now on his way to N. Orleans.  
to start a Royal Paper -

He is an earnest Christian  
& desires to promote religion  
temperance & my good work  
in his paper -

To that end he writes to

publish some of my sermons,  
and I should be very glad  
to have him do it, &  
I shall give my consent,  
as <sup>to</sup> a missionary area.

As this will not in any  
material degree interfere  
with your present  
circulation you  
will feel as I do  
about it.

Fam by yours
